

# ERCS Newsletter

February, 2019

## Winter Sports Day

Thursday, February 7. Those who are going skiing should have already signed up and returned their payment forms and waivers – if you have not done so, please pay as soon as possible. Skiers need to be at Northstar by 8:30 A.M., so if you are carpooling you need to meet at ERCS at 7:00 A.M. Skiers will return to school by 5:30 P.M.

All others will be going ice skating at Skatetown in Roseville. Skaters will leave the school at 8:30 A.M. and return to school before 3:30 P.M.

## GREAT NEWS!

Cascades of Grass Valley (assisted living facility off Sierra College Blvd) is going to partner with us to create an intergenerational learning program with our students in grades K-8. We will be rotating 12 students each week every Monday for 1 hour: 1:30-2:30 P.M. The Activities Director at Cascades will be helping us with transportation so only one extra driver (teacher) will be needed. We are REALLY looking forward to this new venture for both our students and the residents at Cascades.

## Snow Day Information

If we are going to have a snow day you will receive a call or text from one of the teachers. It will also be posted to our FaceBook page, and KNCO radio.

## A Night of Talent

The Echo Ridge Talent Show – A Night of Talent – is happening on Saturday, February 23, at 6P.M.

Please invite your whole family to come for dinner, entertainment, and prizes. There will be pizza and veggie's available for purchase, as well as dessert items.

We are still looking for acts - music, comedy, skits, etc... - We'd love to have a variety of examples of our talented community!

We have had some great items donated for the raffle and silent auction – A Lake Tahoe vacation, InConcert Sierra tickets, and a Date Night Box, which includes dinner, a movie and other treats, to name a few. There will also be some door prizes that you could win just for showing up! Plan to join us for this very special Night of Talent.
