

Labor Day

Monday, September 6 is Labor Day.
Enjoy your 3-day weekend!

Labor Day

ERCS is happy to welcome Alexis Hasse as our new 3-5 grade teacher. Alexis says, "Ever since my first day as a teacher, I have fallen in love with this career. Every day since then, that passion has only grown! The smiles of children as they build knowledge, confidence, and trust make even the longest days a joy. If I'm not in the classroom, I'm most often enjoying music, cooking, or the outdoors. I feel very excited and privileged to work alongside the children and families at Echo Ridge!" Born in Washington state, Alexis grew up in Northern California, near Auburn, and obtained her bachelor's degree in Christian Education from Weimar University. We are thankful to God for His leading and we are thrilled to welcome Alexis to the ERCS family.

ERCS 2022-2023

Our first day of school will be **Wednesday, August 17.**

Though our number will shrink in the fall, and the grade distribution will look a little different, we will still be giving our all to our students and families.

Miss. Chavez will be teaching Kindergarten and first grade. Mrs. Gardener will be teaching 2-3 (?), and Miss. Hasse will take on 4-8 (?). Mrs. Gardner will also be stepping into the position of principal (?), for which we believe she is well equipped.

Hot Lunch

Hot lunch is dependent on having a Co-Ordinator, and enough volunteers to make it happen. Please let us know if you can help in any way.

Volunteering at ERCS

Each family is required to volunteer a minimum of **25**

HAPPY BIRTHDAY!

MUSIC LESSONS

Teacher Hafdís will continue to offer music lessons on campus for the 2022-2023 school year. Students have the choice of piano, flute, guitar, violin and recorder lessons. For younger students, piano or recorder is recommended.

hours for the school year. We will need volunteers to take on some jobs for the school year. Taking on one of these positions for the school year will ensure that you get all those hours taken care of. If you are unable to complete your volunteer hours, you will be required to pay \$20 per hour, up to \$500 by the end of May 2023.

1. Garden: Do you like gardening? Our school garden needs some TLC; clean it up, show the students how to plant, and come a couple of times a month to garden with the students.

2. Front Entrance/Gate: We would like to keep the top of our driveway looking spiffy, so this person would sweep/blow and pick up any trash around our gate and sign.

4. Hot Lunch Co-Ordinator: This person plans the menu, shops, and organizes hot lunch volunteers.

5. Hot Lunch Volunteer: Prepare, serve and cleanup after hot lunch 1-3 days a week.

6. Fundraising: We always do a See's Candies fundraiser in November, as well as catalog sales in the Spring. We can always use help planning and implementing new ways to raise money for the school.

7. Outside Bulletin Board: Keep the bulletin boards (outside and in the gym) seasonal by redecorating them once a month.

9. Teach an Elective: Teach a one-hour class each Wednesday afternoon for 12 weeks. These could be cooking, gardening, survival skills, or any number of other options.

8. Yearbook: This could be a person or a team of people who work on building the yearbook throughout the year.

If you are interested in taking on any of these jobs, please let us know.

Curacubby

Curacubby is our online billing, registration, and communication tool. Each student and parent should be registered for the 2022-2023 school year with Curacubby before the first day of school. Monthly tuition billing begins in August, with the first payment due by the first day of school, and the final payment due in May.
